New Garbage Service Coming to Colonial Village!

Everyone should have now received information about our new garbage service. We are moving to the cart system and believe this will be a cleaner and more convenient system. Jan. 27th was our last day with the old system. Carts should be here soon. Garbage must be in the new carts to be picked up from now on.

Garbage pickup remains on Thursdays. Just wheel your cart to the curb. Recycling carts have a grey lid and pickup is every other Thursday; refer to the calendar for dates. It is very important that all carts be put away at the end of garbage day. Carts may not be left at the curb. If you wish to recycle and don't receive a recycle cart, please call the Colonial Village office. If you have more garbage than fits in the can, or have an extra item such as a couch, please call Allied Waste: 952-941-8394. If you wish to dispose of your old cans, just place at the curb with a sign "please dispose of this old can".

We think you will like this new system: no more lifting, less litter, no sorting recycling....please call the office if you have any questions about this new service.

Q: What do I do if my water freezes?

A. If your whole home is without water check to see if your heat tape is plugged in and warm and that outlet has power. You may have 2 heat tapes. If only one fixture has no water, open the cabinets/access panel in that area and try a blow dryer to blow warm air. If the problem is in the floor, try shutting the floor vents and turning up the furnace to 80 degrees for 1/2 hour. No luck? **CALL FOR SERVICE!** Don't leave the problem for later.
